

The Texas NF Foundation is thrilled to bring to you the 18th Annual NF Family Camp. The purpose of this camp is for families affected by neurofibromatosis to connect with one another in a place where our commonality is NF. It will be a time to learn and laugh as we make meaningful relationships with new friends and grow closer to our own families. Please come join us in the hill country for an unforgettable experience.

It costs \$100 per person for the entire camp weekend. If you can not pay the \$100 and would like to apply for a campership, contact me and I will send you a campership application. Please contact Melissa if you have any questions about costs or Camperships.
